

Ring Clock sample size test guide

Check the printing accuracy

1. Print this guide at 100% page scale
2. Check the printing accuracy by measuring the bar on the right (2 inches or 50 mm)

Sample test

1. Find a 14mm wide band ring that fits your finger
2. Place the ring on top of each circle until you find the best match
3. Match the inside edge of the ring to the circle nearest in size. This measurement refers to the inside diameter of the ring.
4. If the ring falls between two sizes, choose the larger size.

Tips

1. If you are measuring between two sizes, always choose the larger one.
